

2005 Bulletin Awards Competition

Winners

Members of the committee read and scored monthly newsletter bulletins from 53 local societies, quarterlies from 11 districts and more than 15 special issues. It comes to a conservative number of more than 500 publications. The committee also makes nomination for original works, Awards of Merit. 135 Awards of Merit were awarded for original articles and 9 were awarded for special publications.

Criteria of scoring the publications are published in the *Guidelines for Editors*. Criteria are rose horticulture information, local rose society, district, and ARS news, and overall appearance and workmanship.

Congratulations to all the local rose society and districts that participated in the competition!
